EDUCATION

S.N.D. College of Engineering and Research Centre

Aug 2023 – May 2027

Bachelor of Engineering in Information Technology

SKILLS

Languages: C, C++, Python

Web Technologies: HTML, CSS, JavaScript, React

Database: MySQL

Tools: VS Code, Git, GitHub

Coursework: Data Structures and Algorithms, DBMS, Operating Systems, Computer Networks, OOP

EXPERIENCE

Netleap IT Training And Solutions — Web Development Intern

Jan 2026

- Learned and applied web development technologies including HTML, CSS, JavaScript, and responsive web design.
- Gained practical experience in frontend development and user interface design.
- Developed an **Online Event Hall Management System** for managing hall bookings and event scheduling.
- Collaborated in project planning, testing, and implementation to ensure a smooth user experience.

CodSoft — Web Development Intern

Sep 2025

- Learned the fundamentals of web development including HTML, CSS, JavaScript, and modern development practices.
- Built responsive web pages and improved problem-solving skills through hands-on projects.
- Worked on frontend design, form validation, and interactive user interfaces.
- Enhanced knowledge of website structure, styling, and client-side scripting.

PROJECTS

Online Event Hall Management System (Mauli Lawns Website)

Jan 2026

- Developed a web-based platform for managing event hall bookings and inquiries.
- Designed responsive user interfaces using HTML, CSS, and JavaScript.
- Implemented booking forms, event scheduling, and contact management features.
- Enhanced user experience through a modern and mobile-friendly design.

Student Management System

- Developed a web-based application to manage student records and academic information.
- Implemented features for adding, updating, searching, and deleting student details.
- Designed responsive user interfaces using HTML, CSS, and JavaScript.
- Improved data organization and accessibility through an efficient management system.

CERTIFICATIONS

- Web Development Internship – Netleap IT Solutions
- Web Development Internship – CodSoft
- Front End Web Development – Reliance Foundation
- Python Programming – Reliance Foundation
- AI & Machine Learning Engineer Certificate Course – Reliance Foundation
- Design Thinking – Infosys Springboard
- Design Thinking: A Primer – NPTEL
- Employability Skills – JobReady, Wadhwani Foundation
- Communication Skills – Reliance Foundation
- Basics of Business Communication – Infosys Springboard

EXTRA-CURRICULAR ACTIVITIES

- Participated in technical workshops and webinars related to Web Development and emerging technologies.
- Active learner in Web Development, Python Programming, and Artificial Intelligence.
- Represented school in Basketball competitions and actively participated in sports activities till 10th standard.
